## PLEASE JOIN OUR ORGANIZATION TO MAKE OUR LAKE THE BEST IT CAN BE!

---

We are a group of caring citizens concerned with the preservation, protection, and promotion of Tenmile Lakes and its waters and watershed. Tenmile Lakes is one of the Top 5 recreation lakes in Oregon.

The area of focus for the Tenmile Lakes Association are the lakes and streams that comprise the Tenmile Lakes Watershed. The locations consist of North and South Tenmile Lakes, Tenmile Creek, and any other body of water or stream impacted by the watershed.

Find out more about TLA on our website:
